Questions Regarding Group Size

- COBRA
 - St. Continuation
- Under federal law, if your group had 20 or more employees on your payroll on at least 50% of the group's working days during a calendar year, you must provide employees with COBRA continuation effective January 1 of the next calendar year. If your group had fewer than 20 employees during a calendar year, you must provide State Continuation effective January 1 of the next calendar year.

Questions Regarding Group Size (continued)

<input type="checkbox"/> Medicare Primary <input type="checkbox"/> Plan Primary	Under federal law, if your group had 20 or more employees during 20 or more calendar weeks in the preceding calendar year, the Health Plan is primary and Medicare is secondary. This statement does not set forth all rules governing group level Medicare status. The Group should contact its legal and/or tax advisor(s) for information regarding other rules that may impact the Group's Medicare status. Under federal law it is the Group's responsibility to accurately determine its Medicare status.
Enter the Prior Calendar Year Average Total Number of Employees <input style="width: 80px; height: 20px;" type="text"/>	Under Health Care Reform law, the number of employees means the average number of employees employed by the company during the preceding calendar year. An employee is typically any person for which the company issues a W-2, regardless of full-time, part-time or seasonal status or whether or not they have medical coverage. To calculate the annual average, add all the monthly employee totals together, then divide by the number of months you were in business last year (usually 12 months). When calculating the average, consider all months of the previous calendar year regardless of whether you had coverage with us, had coverage with a previous carrier or were in business but did not offer coverage. Use the number of employees at the end of the month as the "monthly value" to calculate the year average. If you are a newly formed business, calculate your prior year average using only those months that you were in business. Use whole numbers only (no decimals, fractions or ranges)
<input type="checkbox"/> Federally Compliant MH/SUD Benefits <input type="checkbox"/> Not Required	Under federal law, if your group averaged 51 or more total employees (remember to include part-time and seasonal employees) during the preceding calendar year, you must provide employees with benefits compliant with federal mental health and substance use disorder parity laws and regulations (MH/SUD Parity Compliant Benefits), if your plan provides MH/SUD benefits. If your group had 50 or fewer employees, you are not required to provide MH/SUD Parity Compliant Benefits.
<input type="checkbox"/> Yes <input type="checkbox"/> No	Do you currently utilize the services of a Professional Employer Organization (PEO) or Employee Leasing Company (ELC), Staff Leasing Company, HR Outsourcing Organization (HRO), or Administrative Services Organization (ASO)?
<input type="checkbox"/> Yes <input type="checkbox"/> No	Is your group a Professional Employer Organization (PEO) or Employee Leasing Company (ELC), or other such entity that is a co-employer with your client(s) or client-site employee(s)? If you answered Yes, then by signing this application you agree with the certification in this section. I hereby certify that my company is a PEO, ELC or other such entity and that only those employees that are the corporate employees of my company, and not my co-employees, are permitted to enroll in this group policy. If my group at any point after I sign this application determines that the group will provide coverage to the co-employees under the group's plan, I understand that UnitedHealthcare will not cover the co-employees under this group policy.
<input type="checkbox"/> Yes <input type="checkbox"/> No	Are there any other entities associated with this group that are eligible to file a combined tax return under Section 414 of the Internal Revenue Code? If yes, please give the legal names of all other corporations and the number of employees employed by each. Note: If you answered yes, this answer impacts your answers to the other questions regarding group size.

I represent that, to the best of my knowledge, the information I have provided in this application – including information regarding qualified beneficiaries and dependents who have elected continuation under COBRA or state continuation laws – is accurate and truthful. I understand that UnitedHealthcare and Affiliates will rely on the information I provide in determining eligibility for coverage, setting premium rates, and other purposes, and that any intentional misrepresentation, fraudulent statement, or omission that constitutes fraud may result in rescission of the group policy, termination of coverage, increase in premiums retroactive to the policy date, or other consequences as permitted by law.

Any person who knowingly or willfully presents a false or fraudulent claim for payment of a loss or benefit or who knowingly or willfully presents false information, or conceals information for the purpose of misleading, in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.

In some instances, we pay brokers and agents (referred to collectively as "producers") compensation for their services in connection with the sale of our products, in compliance with applicable law. We may pay "base commissions" based on factors such as product type, amount of premium, group/company size and number of employees. These commissions are reflected in the premium rate. In addition, we may pay bonuses pursuant to programs established to encourage the introduction of new products and provide incentives to achieve production targets, persistency levels, growth goals or other objectives. Bonus expenses are not directly reflected in the premium rate but are included as part of the general administrative expenses. Please note we also make payments from time to time to producers for services other than those relating to the sale of policies (for example, compensation for services as a general agent or as a consultant).

Producer compensation may be subject to disclosure on Schedule A of the ERISA Form 5500 for customers governed by ERISA. We provide Schedule A reports to our customers as required by applicable federal law. For specific information about the compensation payable with respect to your particular policy, please contact your producer.

The undersigned applicant and the agent certify that the applicant has read, or had read to him, the completed application and that the applicant realizes that any false statement or misrepresentation in the application may result in the loss of coverage under the policy.
